**MINUTES OF THE MEETING OF THE EXPERT ADVISORY COMMITTEE HELD ON 30.12.2025 TO CONSIDER THE PROPOSALS FOR GRANT OF FUNDS UNDER THE SCHEME OF FINANCIAL ASSISTANCE FOR THE DEVELOPMENT OF BUDDHIST/TIBETAN CULTURE & ART FOR THE YEAR 2023-24.**

A meeting of the Expert Advisory Committee (EAC) was convened on 30<sup>th</sup> December, 2025 under the chairpersonship of Joint Secretary (BTI), Ministry of Culture to deliberate upon the applications received under the scheme of financial assistance for the development of Buddhist/Tibetan Culture & Art for the year 2023-24. The meeting was attended by other committee members. List of the participants is attached as **Annexure 1**.

2. At the outset, the Joint Secretary welcomed all the committee members and directed the Member-Secretary to go ahead with the presentation. Thereafter, the Deputy Secretary made a detailed presentation outlining the nature and scope of the scheme, the components under which applications were invited and the status of proposals received.

3. It was observed that, out of the eleven component activities under the scheme, some of them are not of immediate relevance at present. Certain activities are capital intensive in nature and could potentially create financial liabilities extending beyond the current financial year. It may also be noted that the scheme itself is due for renewal after the close of this financial year, and the Ministry is in the process of formulating a separate scheme to specifically address capital works. Furthermore, the activity titled "Audio-visual recording, documentation and archiving of traditional materials" was considered less pertinent in the prevailing context. In view of these considerations, the Committee was of the opinion that the following activities may appropriately be omitted and need not be taken up for provision of grants during this financial year:

- (i) Construction/repair of school buildings, hostels & training centres
- (ii) Repair, restoration & renovation of ancient monasteries/heritage buildings
- (iii) IT upgradation & IT-enabled teaching/training aids
- (iv) Audio-visual recording, documentation & archiving of traditional materials
- (v) Purchase of books, documentation & cataloguing related to Buddhism

4. The Committee considered apt to support the following activities in the order of priority as below:

- (i) Maintenance (staff salary, office & miscellaneous expenses)
- (ii) Salary of teachers in monastic/nunnery schools
- (iii) Scholarships to monk/nunnery students
- (iv) Research Project on Promotion of Buddhism/Tibetan Art and Culture
- (v) Special courses on promotion of Buddhist/Tibetan Art & Culture
- (vi) Transport facilities for remote monastic/nunnery schools & monasteries

5. It was further informed that in response to the advertisement made in May, 2024, a total of 656 applications were received and 594 applications were found to be complete in all respects, while 62 applications were found incomplete (not to be considered for sanction of funds). After due deliberation, the Committee resolved to focus only on the prioritized activities listed above, considering their relevance and impact. Out of the 594 complete applications, 216 organizations sought financial assistance under the prioritized activities. After in depth discussion, the Committee resolved that the grants for the current financial year under consideration may be extended to the following two broad categories considering them as more dependent on Government Grant.:

- i. Organizations that availed grants continuously for the last three years.
- ii. Organizations that availed grants for at least two years during the last three years.

6. With regard to remaining applications which are otherwise complete, the Committee was of the view that their cases may not be considered for sanction at this year in line with the Ministry of Finance's directions to avoid creation of fresh liabilities. However, they can be given opportunity in subsequent year(s) to consider their proposals without obligating them to apply afresh.

7. Keeping in view the likelihood of the 10 crores being made available for the purpose of provision of grants, the Committee, after thorough examination and discussion, unanimously recommended sanction of funds to the 216 organizations whose applications were aligned with the prioritized activities. The recommendations were recorded as per Annexure 2. The list of applications not considered for grant of financial assistance during this FY is at Annexure 3.

8. The Chairperson concluded the meeting by emphasizing the resolve of the Ministry for supporting genuine and complete applications, ensuring equitable distribution of resources, and adhering to the financial prudence advised by the Ministry of Finance.

The meeting ended with a vote of thanks to the Chair.
